MARVEL ARENA OF HEROES OVERVIEW

On Monday May 3rd, 2021 ESPN and Marvel teamed up to put on the first ever Marvel-inspired alternate broadcast on ESPN2 featuring the Golden State Warriors and New Orleans Pelicans

ESPN commentators Ryan Ruocco and Richard Jefferson provided commentary in a fully customized Marvel-themed studio at ESPN's Bristol, Conn Campus. Additionally, the special presentation included commentary and analysis from Marvel expert, Angelique Roche

The telecast featured 3D virtual characters, custom graphics, and animation packages

MARVEL ARENA OF HEROES PLAYER INVOLVEMENT

The Avengers began their recruitment of the NBA elite and observed the battle between the Warriors and the Pelicans, focusing on three star players from each team. Each Avenger chose 1 player to keep an eye on

Each player competed for Hero Points, and the player with the most Hero Points at the end of the game was crowned Marvel's first Arena of Heroes Champion

Players were awarded one Hero Point for every point, rebound, assist, steal and block, while they had one Hero Point deducted for every missed field goal, free-throw and turnover.
